## WATERTIGHT SOCKETS & PLUGS

### TEF 1531 - 1536 - 1581 - 1583

## SAFE AREA

Subject to change without prior notice TPS2137 REV. B 30.06.2017

1531

### 1531

HNA-socket 16A AC/10A DC, Design 2, 220V-250V, DIN 89262, Brass casing and cover, plastic screw cap, undetachable cover screws M6, Steatite socket interior according to DIN 89320, Steatite terminal block acc. to DIN 89300 with 2 terminals up to 2.5mm<sup>2</sup>, also available in 24V version

IP rating: 56

For use in zone: Safe area/marine

Weight: 1,050 kg.

1536

### 1536

HNA-socket with switch 10A AC/DC, Design 2, 220V-250V, DIN 89263. Brass casing and cover, undetachable cover screws M6, Steatite socket interior acc. to DIN 89320, switch interior 2-pole cut-out according to DIN 89322-1/2

IP rating: 56

For use in zone: Safe area/marine

Weight: 1,450 kg.

1581 000

1581 001

### 1581

Plug for TEF 1530 and TEF 1535 16A AC/10A DC, Design 2, 220V-250V, DIN 89267, Brass and plastic casing, also available in 24V version

IP rating: 56

For use in zone: Safe area/marine

Weight: 0,550 kg.

1583

### 1583

Cable coupler for TEF 1581

IP rating: 56

For use in zone: Safe area/marine

Weight: 0,8 kg.

# TEF 1531-1536-1581-1583 MARINE SOCKETS AND PLUGS

## DESCRIPTION

	<b>Weight</b>	<b>Part No.</b>
